RIDE THE HILLS AND VELD TRAILS **OUTRIDES IN THE DOME!**

The Vredefort Dome World Heritage Site and surroundings are ideal for mountain biking. Why else would it host the annual CRATER CRUISE, one of the biggest MTB events in SA? We have developed numerous trails for all types of rider, from beginner to advanced. Come to Otters' Haunt for a trail briefing and map, with GPS for some trails. Make an appointment, park your car for the day, or stay over to tackle several different routes. There are gravel backroads, single track, jeep and quadbike tracks, and complete bundu with no tracks! Guiding is available, and lots of advice.

WHAT TO EXPECT & PLAN

When planning your MTB visit with us take into account: How fit and experienced are you? How far and how long do you wish to ride? Are you a family group? We need to know in order to advise you. There are all kinds of trails from easy and short to long, technical and arduous.

Secondly, do you have your own bike/s? We have a few for hire - adult bikes. Your bike needs slime in the tubes and/or an inner lining and a puncture kit. We do not offer maintenance. We do not supply tools and pumps except for hired bikes. You must carry lots of water and a cellphone. The off-road routes are all on private land which require entrance fees.

We arrange access. Please close all farm gates. Do not light fires or disturb animals.

MOST trails are unmarked and almost all landowners require a guide to be with you. For some open trails we do supply maps. COME TO OTTERS' HAUNT FOR A BRIEFING. PHONE IN ADVANCE TO MAKE ARRANGEMENTS. We have self-catering overnight accommodation at our base.

SEE RATES FOR ACTIVITIES ON SEPARATE HANDOUT

We take no responsibility and accept no liability for any mishap, inconvenience, injury or death. You do the activities entirely at your own risk.
